GLORY DAYS

glory/'glōrē/(glory, vainglory, gloria): lofty praise, honor, or admiration extended by common consent; high renown; condition of supreme exaltation or splendor; to experience intense delight or self-satisfaction.

What word can better express our accomplishments and capture our spirit? Lincoln is a school of champions, a school filled with pride. Looking back on these years, we realize that they are truly...Glory Days.

Homecoming ignites school enthusiasm

October 1-5 was a week to remember as Homecoming festivities were ignited with enthusiasm.

Spirit Week opened with the election of king and queen candidates on Tuesday. Those selected were Jay Bendixen, David Gilbert, Todd Mendenhall, Mark Pippett, Joe Severino, Cherie Bradshaw, Brandy Hutchinson, Amy McNally, Rachelle O'Conner, and Wendy Zagar.

Student Council designed the next three days to encourage spirit and enthusiasm in the school. Wednesday was designated as Class Day. Students wore unmatched and obnoxiously loud clothing. Thursday and Friday were dubbed as Dress-up Day and School Colors Day.

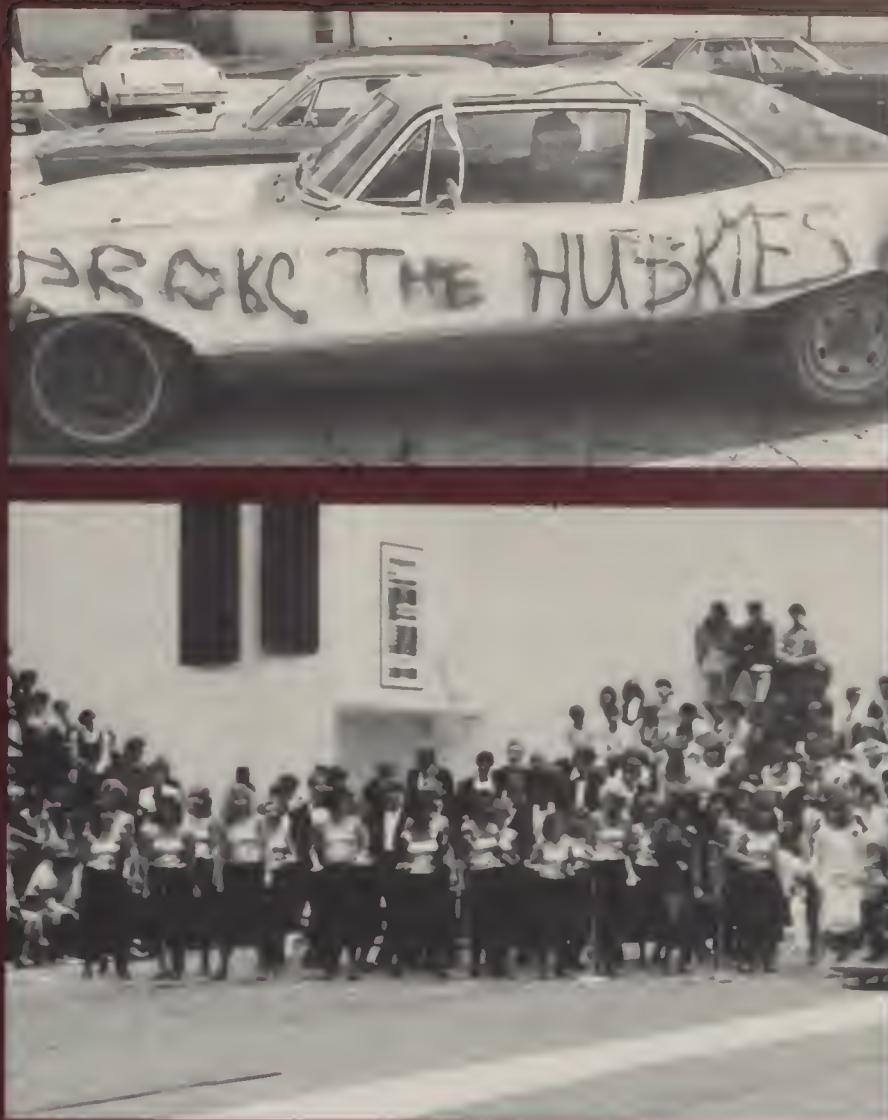

Thursday brought forth the traditional coronation assembly. Students wore suits and dresses in honor of the royal court. Swing Choir performed *We're So Glad* and *The Dance* to an approving crowd.

Students fell silent as emcee Russ Kuhn announced Mark Pippett and Wendy Zagar as the new Homecoming king and queen. Everyone rose to his feet as the court walked through the gateway of flags in the closing moments of the coronation assembly.

Railsplitters explode in comeback victory

Friday night's festivities opened with the release of maroon and gold balloons at the start of the football game.

Seniors displayed their spirit as the Homecoming float arrived on the field. Troy McGee offered his car to be converted into the unusual float.

Halftime ceremonies consisted of entertainment by the Marching Band. The Homecoming court was introduced on the field in front of a rowdy Lincoln crowd.

The Railsplitters beat a tough opponent by a narrow margin Friday evening. Two touchdowns by Pete Else and another by Scott Collier with less than four minutes remaining in the last quarter helped Lincoln edge Hoover, 26-24.

Saturday night was a time of celebration and joy as students looked back on a week of enormous spirit and school pride.

Dorian Art Club decorated the large gym with colorful streamers.

Entertainment was provided by *Last Shades of Dawn*. Stover captured the moment by taking photographs and candids of the dance.

Spirit exploded at the pep assembly Friday, as students sported maroon and gold clothing. For the third year in a row, the wrestling team sold spirit links for ten cents a piece. Each class displayed its chain to see which class had the most spirit. Cheerleaders sold mums and carnations. Students Council sold spirit ribbons to add to the Homecoming festivities. Drill Team, Flag Twirlers, Cheerleaders, and the Risky Rails performed for the enthusiastic crowd.

Frenetic crowd excites players

Pep assemblies burst with excitement as creative and new skits were introduced to the rowdy student body.

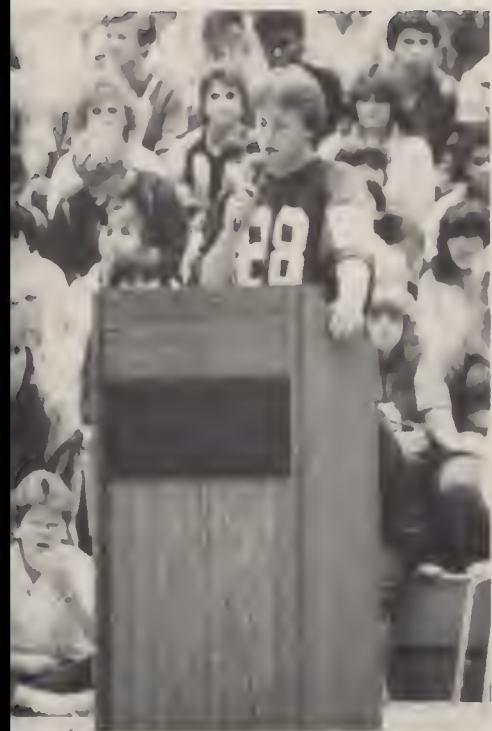

Tuesday evenings students representing different pep-related organizations met with Vice Principal Al Graziano to plan assemblies. The students thought of new ideas to lift the spirits of athletes for important up-coming events.

Drill Team and Flags performed dances to popular songs. Cheerleaders led students in cheers to stir up emotion in team members.

The Risky Railmen had the crowd on their feet when they displayed their unusual dancing abilities.

Classes competed in races and games to decide which class had the most spirit. The seniors remained at the top, even with tough competition from the other classes.

Cheerleaders are full of pep, spirit

Varsity Cheerleaders, sponsored by Irene Bond, continued to keep school spirit growing.

Michelle Mitchell and Jill Johnson served as co-captains for the varsity squad. Mitchell's squad cheered for the football, girls' basketball, girls' swimming, and wrestling teams. Johnson's squad cheered for the football, boys' basketball, boys' swimming, and volleyball teams.

The cheerleaders were involved in many fund raisers, and the Homecoming mum sale was their biggest success. The money they earned went toward the purchase of paint and paper to make signs for the football and basketball season. Cheerleaders gave watermelons to the football players on the last day of practice and bought cakes for the football team as well as the basketball team and boys' swimming team.

"Being a cheerleader is not as easy as it may seem. All of us work hard to learn the cheers and to perfect them. It has been a rewarding and memorable experience. I think every cheerleader feels this way," commented Jill Johnson.

Sophomores add spirit, zest, pride

Sophomore Cheerleaders practiced every day during the summer to prepare themselves for the 1985-86 season.

The squad divided its time between freshmen, sophomore, and junior varsity football, basketball, and wrestling.

To gain experience, some of the cheerleaders went to clinics sponsored by colleges in Iowa and Nebraska.

"The squad worked well together, commented team captain Chico Reed, "We've learned a lot through cheerleading and it has been a great experience all of us will remember."

Sophomore Cheerleaders: (first row) Wendy Wilson, Traci Renda, Chico Reed, Ellen Meline, and Marilee Sparks. (second row) Cindy Wilts, Kristie Davis, and Carrie Ahlberg. Flags shine at State Contest

Flag Team earned a 3rd place finish in the Props and Novelties division at the State Contest.

The team spent much of its time involved in money-making projects. During the winter months they sold carnations and cheese and sausage in order to raise money for the Hawaii trip with the band in the spring.

"I enjoy performing," commented co-captain Kim Harris. "The squad had a good time working together."

Exuberant Squad travels to Islands

The 30-member Drill Team received high ratings at both state and local competitions. Early in the season, the team entered the McDonalds Marching competition and the State Marching contest and earned a 1 rating in both contests. At the State Dancing Competition the Drill Team received a 2 rating in the Large School Pom and Dance Contest.

During the spring season the band and Drill Team marched in the Pella Parade. Twenty members of the squad performed with the band in Hawaii in June.

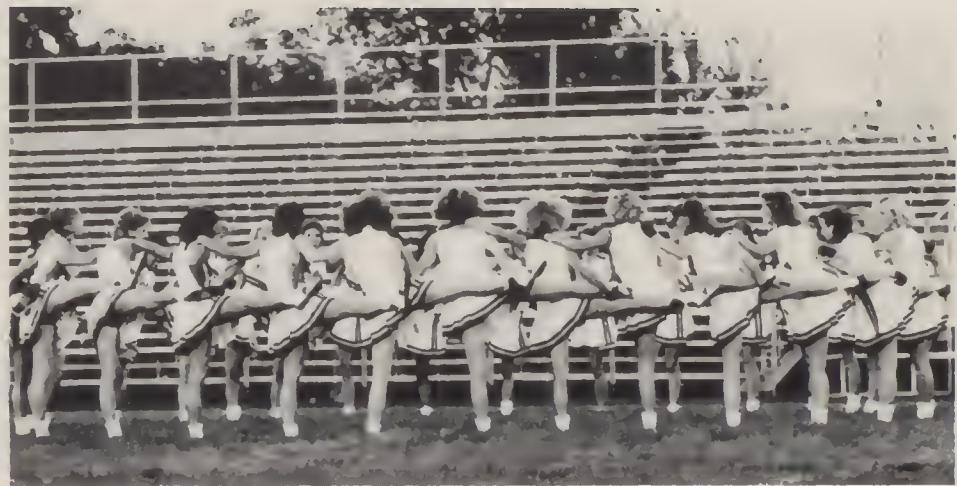

Lanette Greco served as captain of the 1985-86 Drill Team. Greco, with the help of co-captain Amy Irons, Nicole Colisimo, Tori Soda, and Paige Corrigan, created dances for pep assemblies, contests and halftime performances. *Jungle Love*, *Relax*, *What I Like About You*, and *Party All The Time* entertained the crowds.

Band earns eighth No. 1 State rating

All those early morning practices finally paid off for the 180 members of the Marching Band. Starting at 6:45 a.m. on the first day of school the members of the Band, Drill Team, Baton Twirlers and Flags were on the practice field working away. Because they worked so hard they received a number one rating at state contest held at East High School. This was the eighth consecutive '1' rating they received. They also received a '1' rating at the McDonalds contest and the drumline received the most outstanding drumline award.

These students also participated in the Drake Relays Parade, Pella Tulip Festival Parade and the Veisha Parade in Ames. They left for Hawaii June 5 to march in the King Kamehameha Day Parade, to which only two schools from the continental United States were invited.

Prep Swing gained much experience by taking part in the Urbandale Show Choir Jambo-ree and the Cedar Rapids Jefferson Competition. The group becomes aware of what is ahead if they decide to try-out for Swing Choir.

Practice, patience, and perseverance, made the Treble, Concert and Varsity choirs a success.

To help raise money for their annual trip to Kansas City, the choirs sold various Christmas items during the holiday season to cover the cost of expenses.

Drama department introduces new talent

A Murder Is Announced and *Letters To Lucerne* were chosen for the fall and spring productions performed by the talented drama department.

Letters to Lucerne was performed in April. The cast consisted of nine girls and four boys. The majority of the cast played the parts of isolated school children who were protected from the war and kept from the bitterness of the outside world.

The students involved were Lori Smith, Monica Parker, Robert Kirkman, Amy Schroeder, Rebee Rodish, Maria McKee, Anja Reiner, Scott Dolch, Tara Belinski, Petra Vignovich, Kristi Groen, Sandy Moffitt and Larry Miller.

A Murder Is Announced is an Agatha Christy murder mystery. An announcement of a murder that would be taking place that night was the suspenseful plot of the fall play. The fall play cast included Jeannine Ahlberg, Marla Wright, Amy Schroeder, Brad Slade, Jaquie Lair, Monica Parker, Carrie Pester, Sharla Tiffany, Jeff Jorgensen, Bruce Elgin and Robert Kirkman.

Choir electrifies their audiences

Under the direction of Carrol Bennink, Chamber Chorale continued to impress audiences with their talent.

In October, the choir members auditioned for the All-State Chorus. Four members from Chamber Chorale were selected to sing in the prestigious event. They are Rich Cantrell, Kristi Durban, Pete Else, and Nicholle Foland.

Chamber Chorale also learned a special repertoire of Christmas music and performed it at such events as the Festival of Trees and the opening of the Kaleidoscope.

Show Choir excels in outstanding year

"L.A. Bound!" was the slogan for Swing Choir since early November when they were invited to compete in the Young Americans National Invitational Performance Choir Festival, March 17-22, in Los Angeles. Although everyone was very excited for the trip, Swing Choir still had to concentrate on their main objective, entertaining the public. November 21-22 the choir presented their fall show *Let Us Entertain You*.

Swing Choir also did their share for the community. In addition to the paid shows they did for the businesses in Des Moines, they performed at the Kaleidoscope, Capital Square, and the Polk County Senior Citizens Center, for, as one Swing Choir member put it, "the fun of it!"

Student Council promotes spirit

Student Council promotes many school activities and is dedicated to serving the community.

The Blood Center's annual blood drive, February 4, was a great success. Over 100 pints of blood were donated by students and faculty. Student Council sponsored the event.

The Canned Food Drive, held in November, helped the community with the donations of canned items to needy families.

Student Council organized the spirit week festivities and sold spirit ribbons during the football season.

Debaters rank first in district

Ranked #1 in district standings in Western Iowa, the debate team, coached by Linda Schlak and Wayne Bauman, not only earned numerous trophies at the more than ten tournaments they participated in, but also nabbed the #1 position in the sweepstakes contest at the Atlantic Bull Creek Classic. Several team members also qualified for district and state finals in debate and various individual events.

Highlighting the year was the squad's participation in the California Polytechnic University tournament in San Luis Obispo, California. Eight varsity team members were chosen to attend the tournament, which was held January 17-18. The tournament exposed team members to different styles of debate and judging practices, as well as allowing them to see some of the sights in California. Although the tournament was demanding, the students found time to visit Hearst Castle, Disneyland and Chinatown.

Club sponsors annual dance

Rails Club is a school and community organization. Enrollment is open to every Lincoln student.

Club members work closely with their sponsor, Sally Fisher, to organize and plan activities.

Rails Club sponsored the annual Sweetheart Dance held February 15. Other club activities included compiling student's names and phone numbers for the Buzz Book, dressing up for a Halloween Party at a day care center, and visiting a nursing home during the Christmas season.

Exiting dance proves success

The Sweetheart Dance, held Saturday, February 15, proved to be a night of excitement as one Sweetheart and one Man of the Year was announced from each grade level.

At the end of the evening the candidates gathered for the announcement of the winners: Freshmen Jessie Zika and Joaquin Benefiel; Sophomores Gina Marcum and Tony Martindale; Juniors Kay Creger and Travis Burris; and Seniors Leslie Myers and Todd Mendenhall.

Rails Club sponsored the dance and decorated the gym. Music was provided by Teazer and Stover took photographs.

Talent-filled club ages with pride

Dorian Art Club is one of the oldest organizations at Lincoln according to sponsor Dale McLean. McLean has been involved with the club for 30 of its 40 years of existence. The group consists of talented artists that are recommended by teachers in the art department.

This art club meets during homeroom every morning and consists of sophomores, juniors, and seniors.

Dorian Art is responsible for decorating the gym for the Homecoming Dance and designing and putting up Christmas decor during the holiday season. Every year the club buys art work and donates it to the school.

Educational travel opens new horizons

Lincoln students have the opportunity to travel to New York and Washington, D.C., during their spring break, along with other interested students. The Polk County United Nations Association sponsors the UN Tour and selects approximately 130 students from the Des Moines area to participate. Selection is based on academic achievement, school and community activities, and a one-page essay stating the importance of visiting the United Nations.

Close-Up, a nationally organized tour, takes students to Washington, D.C. Five students from Lincoln took the trip to see government in action.

Susan Bradner, a junior from Lincoln, traveled to Belgium to attend school there. Four foreign exchange students had the chance to see what the United States was like while they attended Lincoln and lived with host families.

Students donate time, assist staff

During study hall hours, many students assist staff members in a variety of jobs. They receive one-fourth credit for their services. Their jobs include working in the attendance office, counseling center, nurse's office, PE offices, and for individual faculty members.

The PEOPEL program gets more than 20 students involved in helping special education students in their P.E. class.

the RAILSPITTER

The Railsplitter staff, led by Editor-in-chief Patty Notch, worked together successfully to complete 10 issues of the newspaper.

The members of the newspaper staff started out small, yet they still achieved the high standards that the Railsplitter has always required. When semester rolled around, it brought forth new promise for an even better newspaper when three new people joined the staff.

"It has been fun and interesting," commented Patty Notch, "to coordinate the staff and watch everyone work together so hard."

Yearbook sparkles with new ideas

GLORY DAYS, the theme chosen by the yearbook staff, symbolizes the best days of our lives . . . our high school days.

Under the supervision of Advisor Diane Weir, Co-editors-in-chief John Kaldenberg and Wendy Zagar worked with staff members to complete the yearbook for spring delivery. The diligent staff spent their time selling ads, taking photographs, doing layouts, as well as a lot of writing.

The editors chose a simple cover design and used spot color to create a unique look for the division pages.

"There is a lot of time involved in putting the yearbook together", commented Senior co-editor Rachelle O'Conner. "Every staff member worked hard to complete it."

John Kaldenberg and Kurt Allison (top right) look through old yearbooks to get ideas. Cherie Bradshaw (top left) appears content with her work. Seniors choose officers to plan activities for '86

The Senior Class started its busy year with the election of class officers, who with the help of homeroom representatives, were the backbone of all the planning and organizing for senior committees.

Todd Anderson was chosen president, and with this position came many responsibilities. He worked on prom and commencement committees, and represented the senior class.

Wendy Zagar, vice-president, was in charge of Class Day, but was also involved in various other senior activities.

Treasurer Aaron Cherry had many financial duties. Aaron worked closely with Senior advisor Ralph Maigaard to collect senior dues and balance the books.

Rich Blaylock was elected secretary and was in charge of Senior Banquet. He was also responsible for writing letters and sending invitations to guest speakers to request their presence at many of the activities.

Prom night, April 19, was a night seniors will always remember. The theme, *Black Tie Affair*, was chosen by the prom committee and colors were black and white with red accents. Prom was held at Drake's Olmstead Center.

Senior Banquet was a great success, with a steak entree chosen by the senior class. The banquet was held at the Hotel Savery, May 16.

Class Day was held May 30 to prepare seniors for graduation. Top 3 and 15 percent were announced and scholarships and awards were given to outstanding seniors.

Commencement ceremonies were held at Veterans Auditorium June 1 at 3 p.m. The guest speaker was Nolden Gentry.

The Senior Class of Lincoln High looks back upon the years of good times, memories, and victories. The tears will come, but surely not in sadness. As we leave Lincoln we face the hardest of any test...saying goodbye.

ALHS starts Honor Society

"Recognizing the wide spectrum of the southside community, Lincoln High School is dedicated to the acceptance of each individual and to the development of that individual's capacity for learning." This is the philosophy on which Lincoln High School is based.

This past year, Lincoln met two major goals—initiating and distributing academic letters and establishing a National Honor Society chapter.

According to Principal Melvin Bowen, the purpose of the National Honor Society is to recognize students for good academic records, good citizenship, and wholesome attitudes.

Mr. Bowen said, "Students don't always listen to what we adults have to say; they need to find out for themselves. This program helps them find out the things they will need for the future."

Students excel in study areas

The library and student center have had a very productive year. Money from the school and a block grant from the district has allowed for replacement of 1643 books over the past two years. The grant will be offered again next year. Librarian Lillian Cole said, "I'm very pleased that our school library is being used to a greater extent than ever before."

Lincoln is the only school in Des Moines with a student center. Wanda Weberg feels this is because students handle the responsibility so well. Juniors and seniors relax and study. Money spent here goes back into the school to support various organizations and activities.

Clockwise from below: Bryan Edwards and Jim Cronin play an intense game of foosball in student center. Library assistants: (first row) Joanne Waller, Lisa White, Trisha Barnhart, Rachelle Myers, (second row) Cole Cross, Robin Schaffer, Carl Thomas, Sam Holmes, Brenda Johnston, Carmen Vosler, Grant Parnell.

Qualified staff develops skill

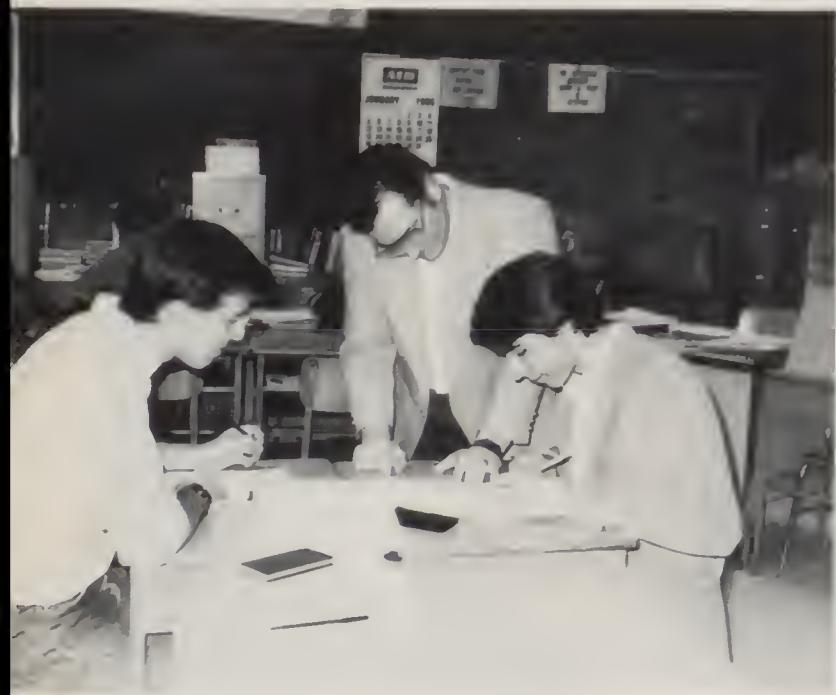

The Math department offers a good program of college preparatory classes, as well as classes for non-college bound students.

The main goal of the math department this year was to create a desire to learn and understand mathematics, as well as to help develop computational skills useful in everyday life.

The math department this year was headed by a "well-qualified, dedicated staff who integrated the use of computers into the curriculum to better aid students in the job market," commented Department chairperson Gary Bagby.

Amy Schroeder (top right) gets disgusted with the Pythagorean Theorem. Rod Jones (right) is a living example that math can be fun. Lowell Reed (lower right) pours out his knowledge about Algebra II to his in-out box. Gary Bagby (below) gives much-needed aid to Scott Bowers and John Kunkel.

Clubs arouse student interest

The Math Club is an organization for students who have good ability in math and interest in competition. Weekly meetings included presentations on various topics, guest speakers, group work on complex problems and preparation for competition at Wartburg College in the spring.

Computer Club members participated in periodic meetings in order to gain knowledge about programming, the Pascal language, and even computer games. These students ended the year studying Instant Pascal and using a graphics tablet for computer graphics.

Foreign Connection opens ethnic doors

The Foreign Connection, a language club open to all French, Spanish, and Latin students, provides activities for interested students outside the classroom.

The club participated in Lanugage Day at Central College in Pella, celebrated ethnic holidays, and dined at ethnic restaurants.

Languages encourage development of skills

The main goal of the foreign language department is to further the development of individuals and to better their understanding of various cultures. Foreign language students are encouraged to think in terms of a worldwide perspective. Classwork stresses communication and the development of thinking and communication skills.

New courses are added for seniors

This was the last year for such classes as Expository Writing and Literary Masterpieces as juniors signed up for Advanced Placement English and Senior English. These classes will combine the composition of Expository Writing and literature and are intended for college bound students. Electives like creative writing, journalism, drama, and debate will still be offered in addition to the full-year courses offered each of the four years.

Home Economics helps to set goals

Home economics offers study in foods, nutrition, textiles, clothing, health, housing, parenting, and personal development. These courses use rational decision-making strategies for sound economic decision and practical lifestyle choices.

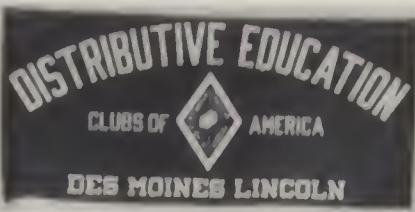

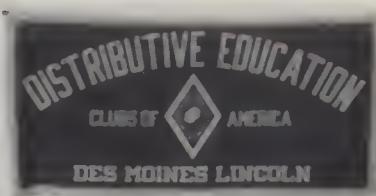

Jeanine Ahlberg felt that Parenting, "gave me a better attitude and different perspective to help me establish how I want to raise my children." Shana Lamar felt that "Personal Family Living has helped me be more aware of social crises and helped me set realistic goals."

DECA students excel

Two distributive education (DECA) classes provide students with responsible attitudes in salesmanship and management skills, first and third hours. Kyle Black is the coordinator. The DECA Area Conference Tournament was held February 5, where students took tests related to their marketing fields. First place winners were Seniors Rochelle Davis, Bruce Brown, Michelle Dady and Kim Mills.

OEA members gain needed office skills

Office Education is a organization that joins students and businesses in the working community. It allows the student to gain actual skills and experiences in an office environment and apply them in a career.

In regional competition OEA students ranked high in their fields. Senior Terri Spaulding placed first in Steno II making her eligible to compete in the national conference in Columbus, Ohio.

Business classes learn useful skills

The business department enables students to develop career skills in accounting, business law, business math, data processing, clerical typing, consumer business, salesmanship and shorthand.

With a variety of choices, the student is able to go into a career field to gain knowledge and skills that can be put to use now and in the future.

Clerical practice teaches filing and typing on different kinds of machines and gives students experiences with payroll forms and invoices.

Students improve their techniques

In art every student has the opportunity to express himself through good art experiences. Students learn to formulate their ideas, to explore various means for projecting their ideas, and to fulfill the desire in everyone for expression. Many students have their art work exhibited in various shows throughout the year and have won both state and national competition in the Scholastic Art Contest.

Six courses are offered both semesters. Visual Design studies elements and principles of design, composition, layout, and color. Art II Drawing and Painting emphasizes creative techniques in the use of materials, pictorial composition, and color. Art III Drawing and Painting is a continuation of Art II. Art IV Individualized Art Study is for students who have been in art every year and would like to continue in a more advanced individual way.

Crafts II deals with textiles, ceramics, wood, and jewelry; Crafts III is a continuation of Crafts II.

Sciences promote student awareness

To meet the academic need of LHS students, eleven science courses are offered. Two semester courses are earth science, biology, physics and chemistry; one semester courses are advanced zoology, botany, conservation and consumer chemistry.

More students at LHS are becoming aware of the importance of science in their lives and the science faculty continues to offer the best science program available.

The social science department has become more involved with current events and current world news.

Required classes are government and economics for seniors, American history for sophomores, and world history for freshmen. Elective courses are psychology, sociology and current issues, available for juniors and seniors, and consumer business classes offered to sophomores, juniors and seniors.

A special yearly event is the trip to Woodward State Mental Hospital-School for psychology and sociology classes. Rose Smith sets up a model congress for her senior government classes every semester. The students write bills which go through committees just as they do in Congress.

Classes in music broaden horizons

Musical groups had a very successful year.

Students worked hard in music classes perfecting breath support and articulation and learning music. Classes meet once a day.

Vocal music includes Varsity Choir, Treble Choir, Chamber Choir, Concert Choir, Swing Choir I, Swing Choir II. For instrumental students Band, Orchestra, Jazz Band I, and Jazz Band II are available.

Physical education shapes up students

All students from grades 9-11 are required to take physical education; freshmen everyday; sophomores and juniors two days weekly.

Seniors take contract PE. At the end of every nine weeks seniors turn in contracts signed by a parent or sponsor certifying that they have participated in some type of physical activity.

Adaptive physical education began in 1981 at Lincoln with the PEOPEL program. This program provides physical education opportunities for students with physical, social and emotional problems and provides the motivation and skills to appreciate and maintain physical fitness throughout their adult life.

Driver Education, Industrial Arts

Driver education is the most popular class taken at Lincoln. Five teachers handle approximately 375 students, divided into three sections: classroom, simulator and car. This course is offered first semester only, since instructors are needed at other schools.

Industrial art classes consist of metal and wood shops, drafting, and auto mechanics. The classes have instruction for the beginner, as well as the advanced student. Projects range from students working on their own cars in auto mechanics to drawing blueprints in drafting.

(Opposite page) Obeying the 55 m.p.h. speed limit, Kelly Drummond (top) practices perfect driving skills. David Darling (center) checks to see if there is a car in his blind spot. Have a problem? Call Peer Helpers

Peer helpers is a group of 20 juniors who are trained in listening and communication techniques, and also in developing a positive self image. Lorrie Streiffeler has been the groups' adviser for seven years. She helps them learn the basic skills of caring and understanding. The group was chosen in December 1985. Next fall the students will work with elementary school children in a type of big brother/big sister program.

Gina Miller commented, "I'm really looking forward to the upcoming year and new experiences that peer helpers will provide."

Baseball team earns 2nd place in Metro

The baseball team ended their season with a 20-12 record, placing second in the Metro. Pitcher Aaron Cherry and outfielder Jeff Ogden made first team All-Metro; catcher Mike Cook and second baseman Joe Rand make second team All-Metro.

Mike Cook said, "We had a good season, but we will have a better upcoming season, because of the returning players."

"We had a let down in the middle of the season, but I predict that the next season will be good for a trip to the state tournament," said Jack Whisler.

Coach Tom Lee said, "I felt we had a excellent season, especially with the number of underclassmen that played. With the nucleus of players coming back our expectations and goals will be to win the Metro championship and to play in the State tournament. With hard work and leadership, we feel these goals can be accomplished."

The Junior varsity team, coached by Dan Paulson, ended the season with a disappointing 2-14 record. The team is very young and with some experience should improve.

It was the first season of soccer play at Lincoln and credit should be given to the players and coaches who got the team off to a respectable start. Soccer should develop it to become one of the most exciting sports at Lincoln.

All these girls deserve special recognition for their outstanding play.

At the Regional Volleyball Tournament Lincoln made their way to an exciting third round action, beating North and Grinnell, but losing to eighth-ranked Valley, who lost to Fort Dodge in the finals for State competition. Through the season the team worked together improving steadily, showing ambition, team effort and toughness.

After an exhausting, but rewarding season, Coach Bob Corey commented, "I was very pleased with the season and proud of our performance. I'm looking forward to next year because we have some fine players returning."

Gridders play well; show improvement

A strong JV season started with an impressive win over Valley, beating the Tigers 18-3. They continued their winning streak by beating Hoover 40-0, Ames 27-0, and ending the season with a 22-20 victory over Ankeny. Coach Cecil Rhoads called all games very dedicated efforts, with many players showing improvement.

The sophomore season started slowly with five straight losses, but ended with three victories. The Gridders showed improvement over their freshmen skills, which was one of their goals.

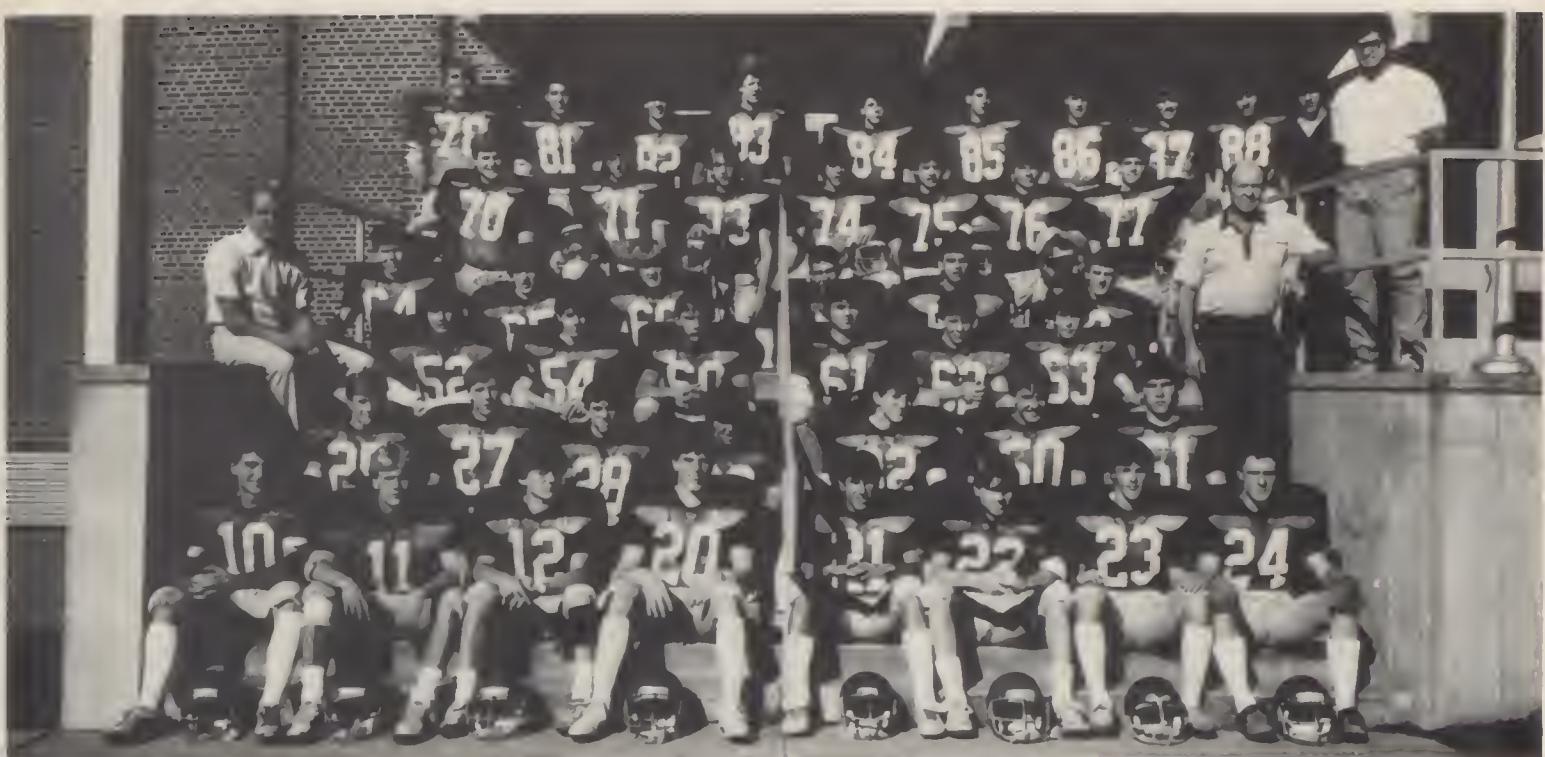

At the freshman level, the team showed promise for future years. They won their first three games but dropped their last five. The team showed a lot of potential and a number of players played exceptionally well: Jason Cooper, Jamie DeAngelo, Matt Geyer, Tyler Hankins, Andy Porter, David Smith, and Travis Tepfer.

The girls swim team had a very rewarding and successful year. At the Urbandale Invitational, Sophomore Karen Spidle took first in the 50 freestyle and in the 100 butterfly. Karen broke a school record of 26.2 made by Elly Johnston, with a time of 26.14 in the 50 freestyle.

Other swimmers also proved their strength. At their meet at East, October 15, Amber Wegner took first in the 50 freestyle and in the 100 back stroke. Debbie Clark took first in the breaststroke. Karen Spidle continued to do well, taking first in the 100 and 200 freestyle, individual medley and butterfly.

Seniors close out successful careers

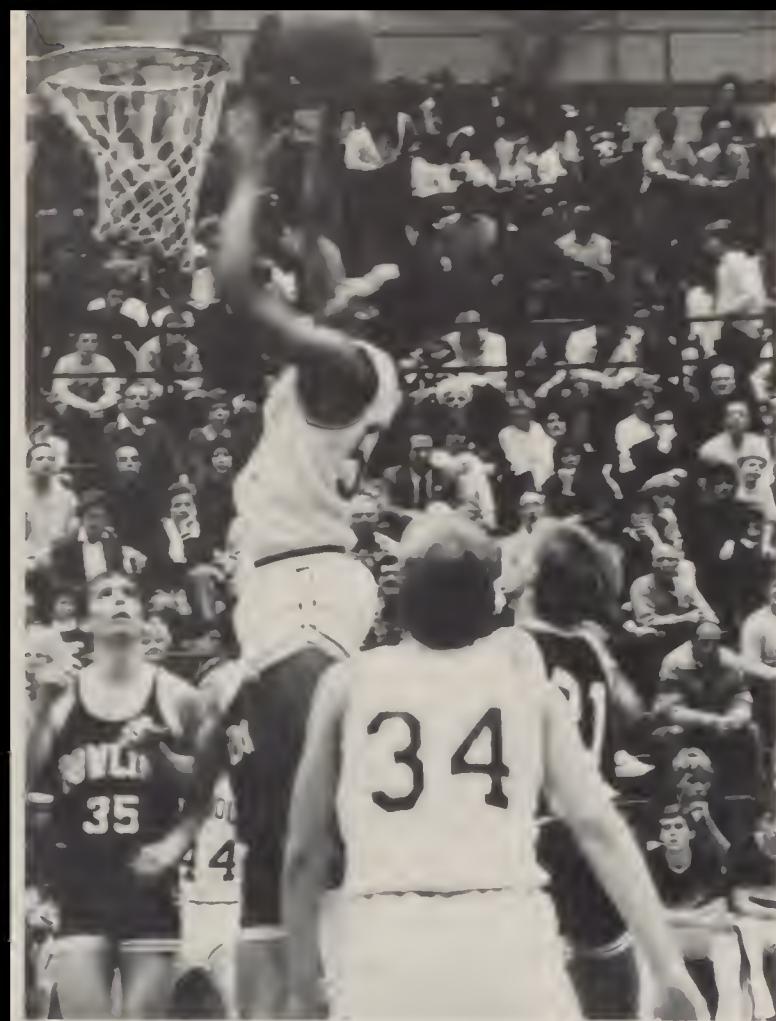

The varsity basketball team had an up and down season with a record of 12-7. Coach Tom Lee felt that their best game was against Dowling. Bob Johnson led the Rails with an average of 25 points and 10 rebounds per game.

Eight seniors who contributed to the team were Jay Bendixen, Scott Collier, Jerry Fees, David Jackson, Jeff Ogden, Kelly Parisho, Mark Pippett, and Jeff Waterman.

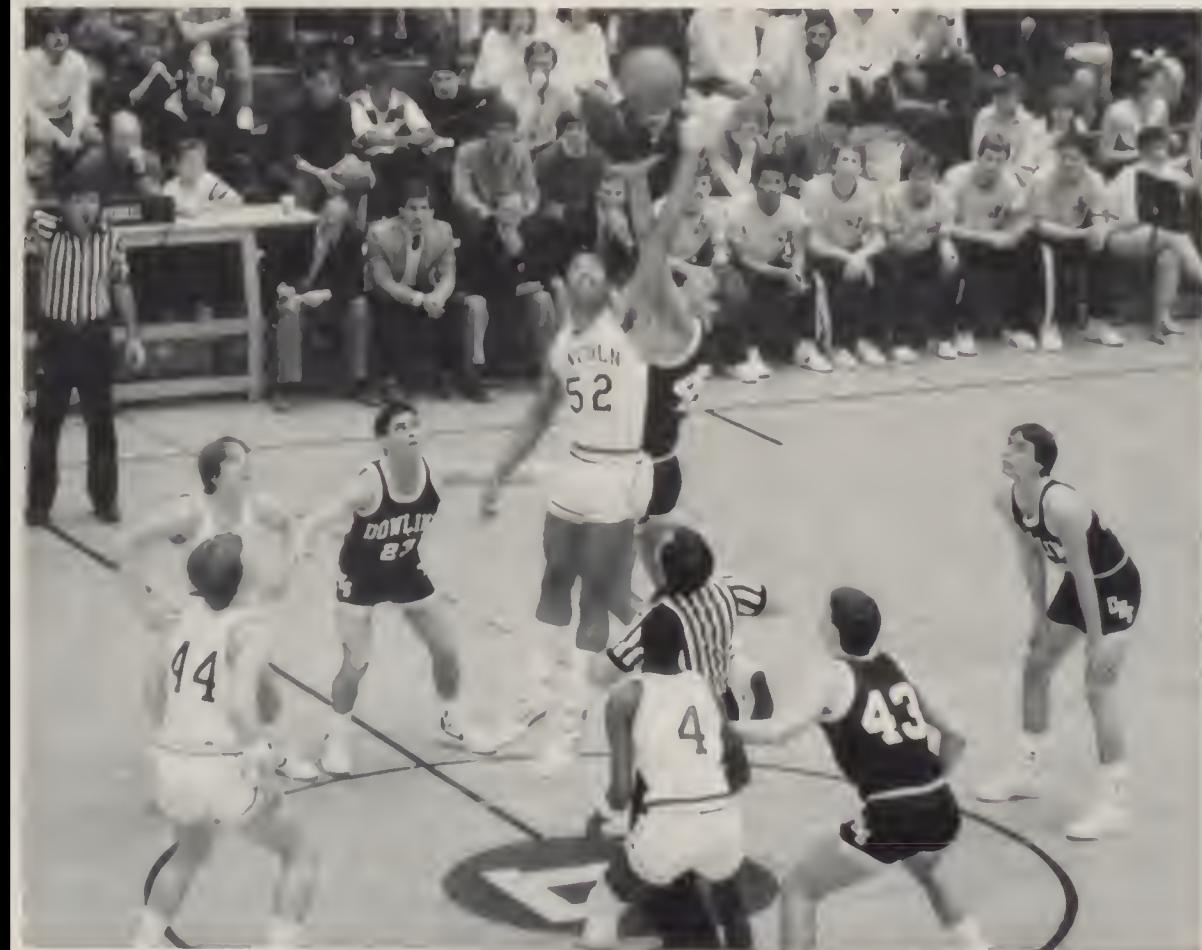

Coach Lee said, "This was one of the most disappointing seasons that I've experienced in the 15 years I've been coaching. Depending on our mental attitude, we were capable of either being one of the best teams in the state, or of getting beaten by the worst team in the state."

Gymnasts combine with East for year

The gymnastics team coached by Joyce Vickroy was combined with East this year. Representing Lincoln this year were Freshmen Jody Trullinger and Christy Harless, Sophomores Carrie Meline and Chris Adams, and Senior Denise Shoup.

The girls improved their skills and achieved higher scores this year than in the past.

Carrie Meline commented, "It was a good experience and we're glad we gave it a try at East. There wasn't as much school support for the Lincoln girls but we had some great times and we met some friends that we'll never forget."

Matmen gain respect; put forth great effort

The wrestling campaign did not fare well for new head wrestling coach Mike McGivern. The Grapplers lone victory of the season came against North-Tech. The squad was very young and unexperienced but learned a lot of new techniques and gained respect from their opponents.

One bright spot for the Grapplers was Mike Monahan who compiled an impressive record of 23-6, placing either first or second in every regular season tournament. At the district meet, Mike placed second giving him a berth in the State Wrestling Meet. But things didn't go well, as Mike was beaten in the first round by a wrestler from Fort Madison.

Track teams show competitive abilities

The girls track team had only six returning seniors and nine other members from last years squad. After getting off to a slow start, the girls improved as the season progressed and came away with many victories. Senior Lisa Skidmore broke the school record in the 800 meter run during the second meet of the season. Junior Shirley Hurd commented, "We have a very young team which gives us time for improvement, but over all the team had a good season."

The boys track team completed a successful indoor season which showed in the meet at Lamyoni. After strenuous practicing throughout the month of March, the team began their outdoor season with a meet April 4 in Marshalltown.

The team competed at the Jim Zabel Urbandale Relays, Hoover Invitational, Urbandale Invitational, Ames Invitational, Ankeny Relays, Valley Relays, and also the Drake Relays.

"This year's team is talented, hard working, and determined., commented Jeff Kelly. "We're a tough team to beat."

Tennis teams match up for great season

The combination of returning letterwinners and devoted players gave the girls' team their competitive edge this season. Nine letterwinners returned for the girls.

The boys' letterwinners and new talent gave way to the successful season. Coach John Van Why felt that the season needed lots of leadership from senior letterwinners for a team dominated by freshmen and sophomores. Their successful season depended on how fast freshmen and sophomores moved up on the varsity level.

Both tennis teams hit off the season with matches against Newton in April.

Boys, girls golfers swing for success

The boys' golf team was strongly supported by three returning letterwinners, Captain Dan Parks, Joe Vivone and Alan Surbaugh. Jeff Horton and Brad Helmuth also returned from last year to the varsity team. Many others were new to the varsity team.

The girls' golf team had only two returners, both letterwinners, Michael Helmuth and Carrie Craig.

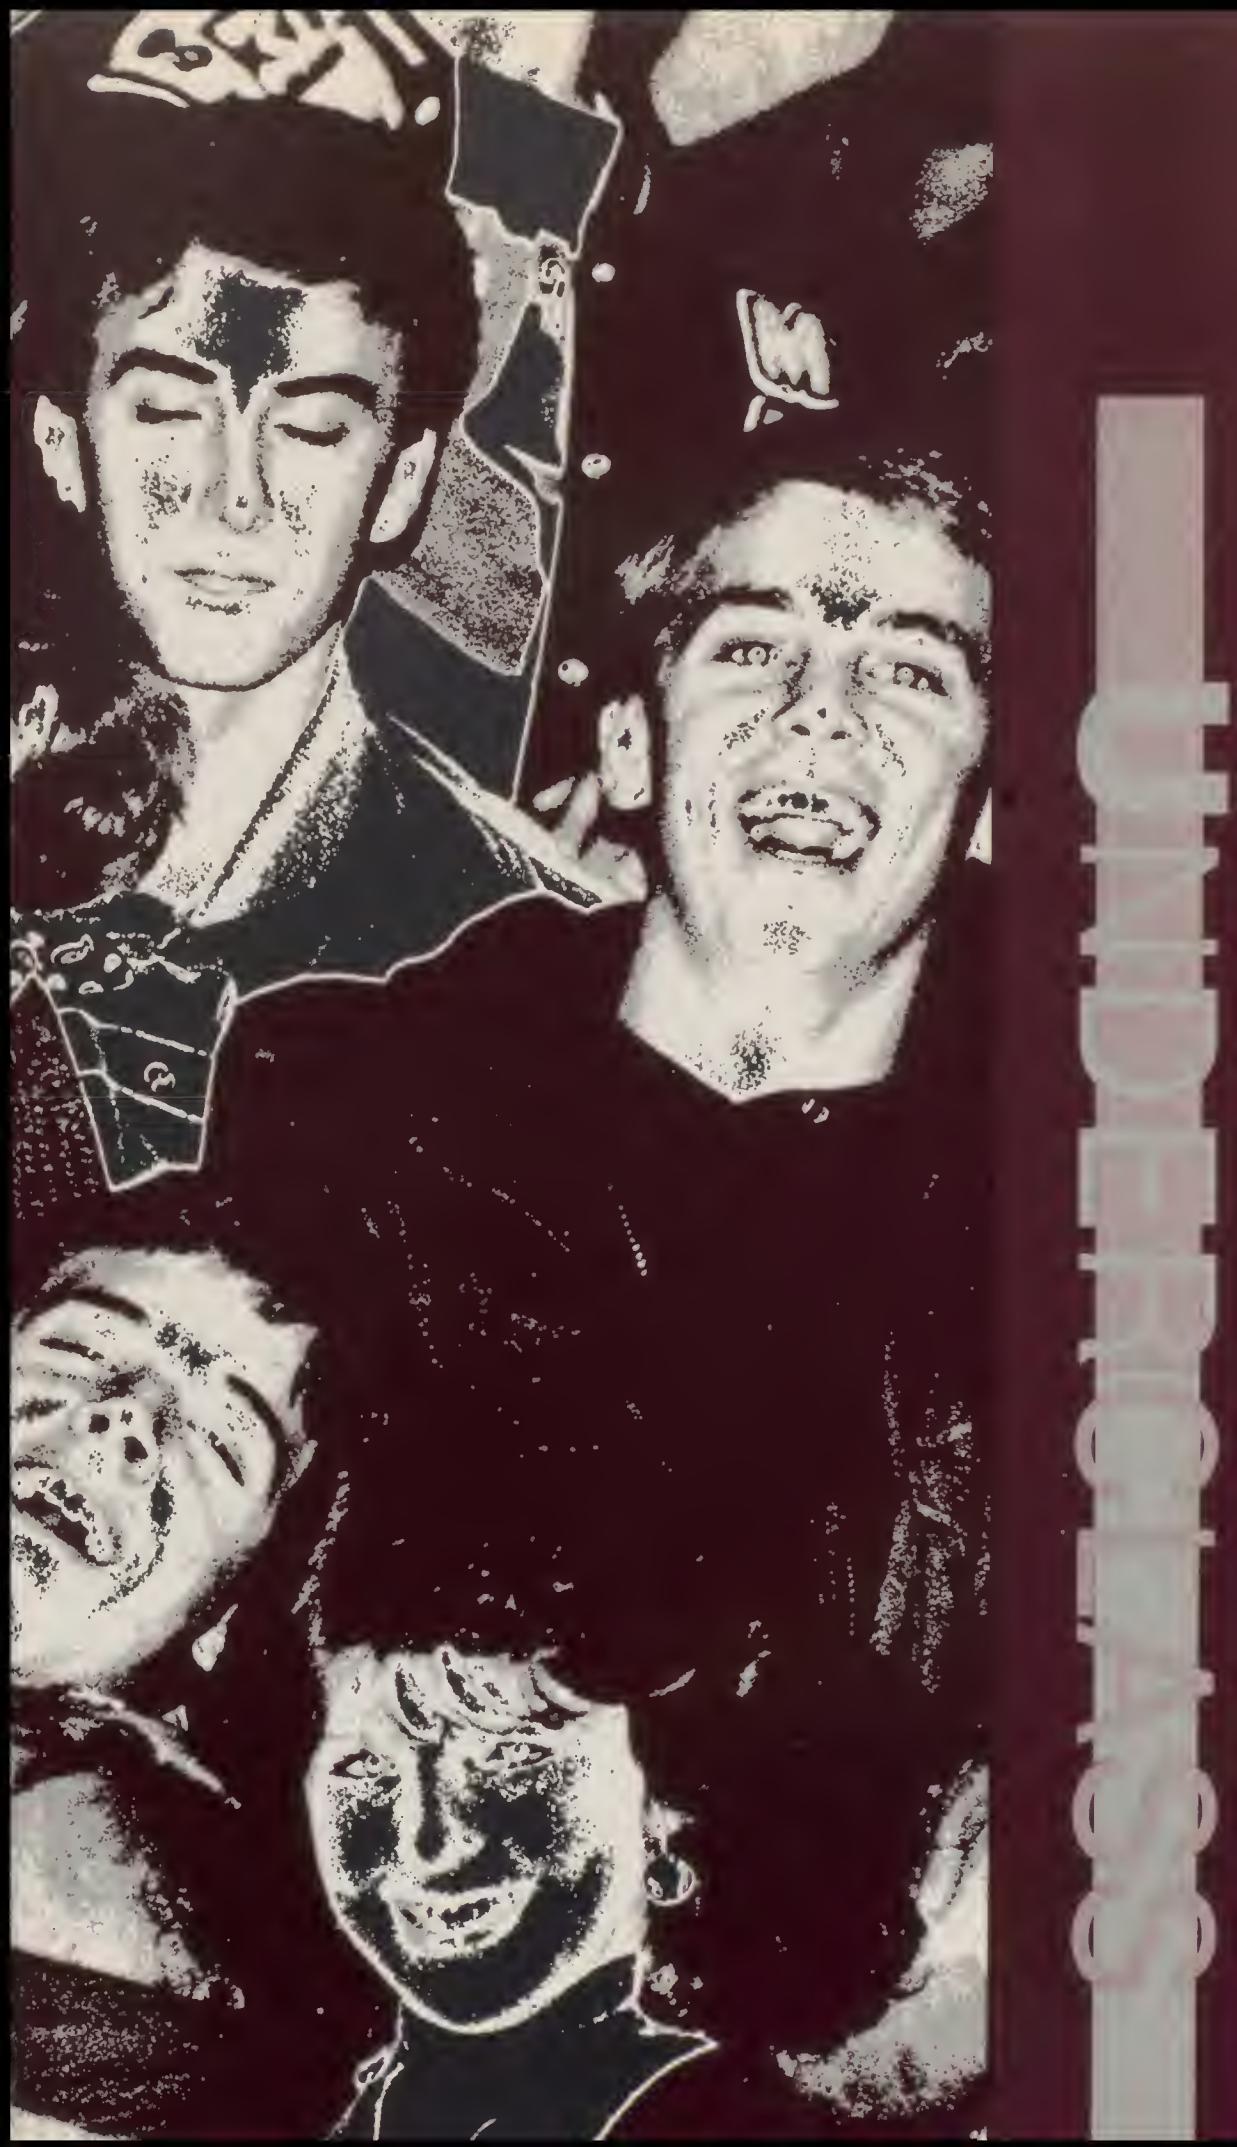

The teams, alongside Coaches Don Ceynar and Jerry Schartner (boys' and girls' respectively) practiced daily, except meet days and weekends at Willow Creek Golf Course and driving range.

The teams competed in various meets in the Metro, such as the Dowling, Ames, Ram and Urbandale Invitational and the Valley Classic, along with the regular meets at Willow Creek.

Captain Dan Parks said, "Most of the team was young and inexperienced, but they were very willing to work hard and improve themselves. Improvement was seen day after day."

January 28, 1986, was a day of mourning for an entire nation. The space shuttle Challenger exploded, killing the seven crew members on board, as well as dealing a devastating blow to the United States space program.

As crew member Ronald McNair stated, "True courage comes in enduring...preserving, and believing in oneself." We dedicate these pages to the memory of these brave people who strived for glory.

An illustration of a man with a beard and a hat, holding a large piece of paper that is torn at the top. Inside the torn paper is a framed advertisement for B & B Super Market. The ad contains text and a small photo of people working in a grocery store. The man is holding the paper with both hands, and his feet are visible at the bottom, suggesting he is sitting or leaning against something.

Congratulations Seniors!

Work and pressure put aside,
Grab a rail and hitch a ride.
Take a journey back in time,
Stir up memories in your mind.
Follow the paths and winding ways
and find yourself in glory days.
